

## Les 20. Hoe word ik gelukkig?

---

Songtekst van *Love is on the move* – Leeland

On the corner of Fifth Street,  
The homeless man needs to eat  
On the edge of town

Lost his family long ago  
Nobody even knows  
They all just pass him by

But love is on the move,  
Revealing heaven's truth!  
Love is on it's way and it will find him

In a high rise building,  
The rich man has everything  
But the letter has reached his sin

Hasn't talked to his kids on weeks,  
He and his wife don't even speak  
Nobody even knows

But love is on the move  
Revealing heaven's truth  
Love is on it's way and it will find him

Anyone can run  
Into the arms of God  
Love is on it's way and it will find you

And all the world cries for healing  
The deepest longing for the love of God  
And oh! The greatest mystery,  
Love has come to save us

In the little quiet town  
The Hope of the world was found  
Under the night sky

He died and rose again  
The Sacrifice that conquered sin  
And now are his feet, his hands

Love is on the move  
Revealing Heavens truth  
Love is on it's way and it will find you

And anyone can run  
Into the arms of God  
Love is on it's way and it will find you

Oh anyone can run  
Into the arms of God  
Love is on it's way and it will find you

It will find you!
